SUBMISSION OF CORRECTED DRAWINGS

Dear Sir:

Applicant notes the Notice of Allowability does not require submission of corrected drawings. However, Applicant notes that a previous Notice of Allowability did require corrected drawings, but as a request for continued examination was filed, no corrected drawings were previously submitted. To whatever extent the Office might prefer corrected drawings at this time, Applicant submits herewith corrected drawings. Applicant notes the corrections to the drawings address the objections noted on the Notice of Draftsperson's Patent Drawing Review dated 11-24-1999 and 07-12-2002, namely "11. SHADING. 37 CFR 1.84(m). Solid black shading not permitted." Specifically, the drawings so corrected are Figs. 5, 6, and 7.

Respectfully submitted,
